SUGGESTIONS FOR IMPROVEMENT

In the Florists' Summer Cut Flower Supply

Offer your customers something new this year! Why use the same old varieties year in and year out, when so many new ones are being offered to the trade? You can't fill every basket with Picardy and expect your customers to be satisfied. Too much of a good thing eventually ruins itself.

Set aside a small plot back of your greenhouses and plant these collections. You may have your own cut flowers from June 1 until late in the fall.

YOU CAN RAISE THESE OUT-DOOR FLOWERS
CHEAPER THAN YOU CAN BUY THEM
BECAUSE:

You Have Them When You Want Them.

Fresh Cut Flowers Are Better.
